However, extended hours are not permitted on the sample day (March 3).

Vehicle access to the areas and halls will be regulated as per those for the set-up work (see article 2.C).

The stands, wherever located, must be cleared by the time of 9.00 p.m. on the date of 8 March.

In the event of non-compliance with the dismantling times and/or that the Exhibitor fails to clear the area, the Exhibitor gives its irrevocable consent to BolognaFiere to consider anything left on the stand as waste material to be sent to public waste disposal sites, for which the Exhibitor will be required to reimburse all the related direct and indirect costs, with a minimum of €700.00 per 16.00m², and without prejudice to any reimbursement for further damages.

The Exhibitor assumes sole responsibility for any damage or theft that may occur during the course of the Exhibition, both during and after the set-up phase.

2.E - Payment methods

The fee to take part in the Exhibition must be paid in accordance with the deadlines and in the manner provided for in the application form. Although the “exit voucher” may not be issued to Exhibitors who have not settled all their dues, both direct and indirect, it does not constitute a receipt of payment of the amounts due for participation in the Exhibition. and it shall be valid only for the vehicle indicated therein

2.F – Insurance - Exemption, Assumption and Limitation of Liability

During the hall opening hours the Exhibitor shall watch over his own stand either directly or by means of his personnel. Although BolognaFiere provides a general day and night security service inside the Exhibition Centre when the Centre is closed to the public and exhibitors for the entire duration of the Exhibition and for the stand furnishing and removal periods, BolognaFiere is released from any and all responsibility for theft and/or damage that may be sustained by the Exhibitor.

The Exhibitor shall also be responsible to BolognaFiere for all damage, be it direct or indirect, which for whatever reason is attributable to him or to the staff working for him (including damage caused by furnishings or by the systems set up either by the Exhibitor or by third parties tasked to do so by him, even

if they have been inspected by BolognaFiere).

Compensation for theft or damages suffered by the Exhibitor, even outside the hall opening hours (including all days set aside for building and taking down stands), will be provided solely by way of the insurance coverage and within the limits/conditions established therein.

The Exhibitor shall benefit from the following insurance policies taken out by BolognaFiere agreed with the Trade Fair Organizer:

a) All Risks cover (including fire and theft) for direct physical damage to furniture, fittings, equipment and goods on the stand, excluding cash, valuables, jewellery and the like and excluding the software installed in computers and excluding any cover for loss of use of the furniture, fittings, equipment and goods during the period when the Exhibition is being held cover € 40,000.00 full first loss cover (including fire and theft), with absolute excess of € 300,00 per claim, increased to € 600.00 for damages sustained after the end of the exhibition;

b) *Third party Liability cover, including fire damages: single limit € 50,000,000.00;*

c) *Exhibitor's Employees Liability cover: single limit per claim of € 3,000,000.00 with limit of € 2,000,000.00 per person;*

d) *Exhibitors, Senaf and BolognaFiere waive the right to any claims made against the event's insurer.*

The above-listed insurance policies are governed by the conditions and limitations which the Exhibitor may request from the Exhibition organizing office, and which will be printed on the form contained in the exhibition's documentation.

These insurance policies do not release the Exhibitor from liability in respect of all risks which, according to the independent assessment of the Exhibitor, are not covered or which exceed the limits of cover, as set out above.

The Exhibitor shall take out such supplementary cover, as he deems appropriate. In particular, because of the existence of a system of video controlling of halls, in case of thefts, Exhibitors must present a written report draft by the Public Authority, within seven days after the end of the exhibition. In default, there might occur the loss of the allowance.

The Insurance Company will also handle claims and settlements at the end of the exhibition, on the terms and conditions as set out in the aforementioned form.

In any event the Exhibitor hereby undertakes to include in the supplementary insurance cover a clause in which the insurer waives any action of recourse or redress against the Exhibitors, Senaf and BolognaFiere and in default he shall indemnify and hold it harmless from any action that may be brought against it.

Having taken note of the foregoing, the Exhibitor nevertheless (on his own account and for his agents, employees or assistants) expressly relieves Senaf and BolognaFiere from any liability for loss or damage which for whatever reason may occur in the exhibition area assigned to him, and during the installation or dismantling of the area assigned to him, and in respect of anything located therein, and he accepts sole liability for any damage caused to third parties by the management of the exhibition space or by anything introduced therein, and which is not covered in the terms or manner indicated above or by additional insurance cover taken out by the Exhibitor.

Senaf and BolognaFiere will accept no liability for consequential damages, damage to image, loss of revenues, etc. As regards direct damages, the Exhibitor accepts that the liability of Senaf and BolognaFiere is limited to the insurance limits as stated above. The Exhibitor accepts these limits of liability.
